\* For Ghana and Cape Verde, this is best estimate of actual annual disbursements as annual data was replaced by total disbursements in the MCC Quarterly Country Reports as of March 2008.

Notes:

--Actual disbursements are based on MCC's consolidated quarterly country status report, March 2008

--Distribution schedules for Cape Verde, Madagascar, and Vanuatu were revised in December 2006; distribution schedule for Madagascar was revised again in July 2007
