Legislation

- Public Law 108–25
- The United States Leadership Against HIV/AIDS, Tuberculosis, and Malaria Act of 2003
- Passed May 27, 2003

IOM Study

Mandate:

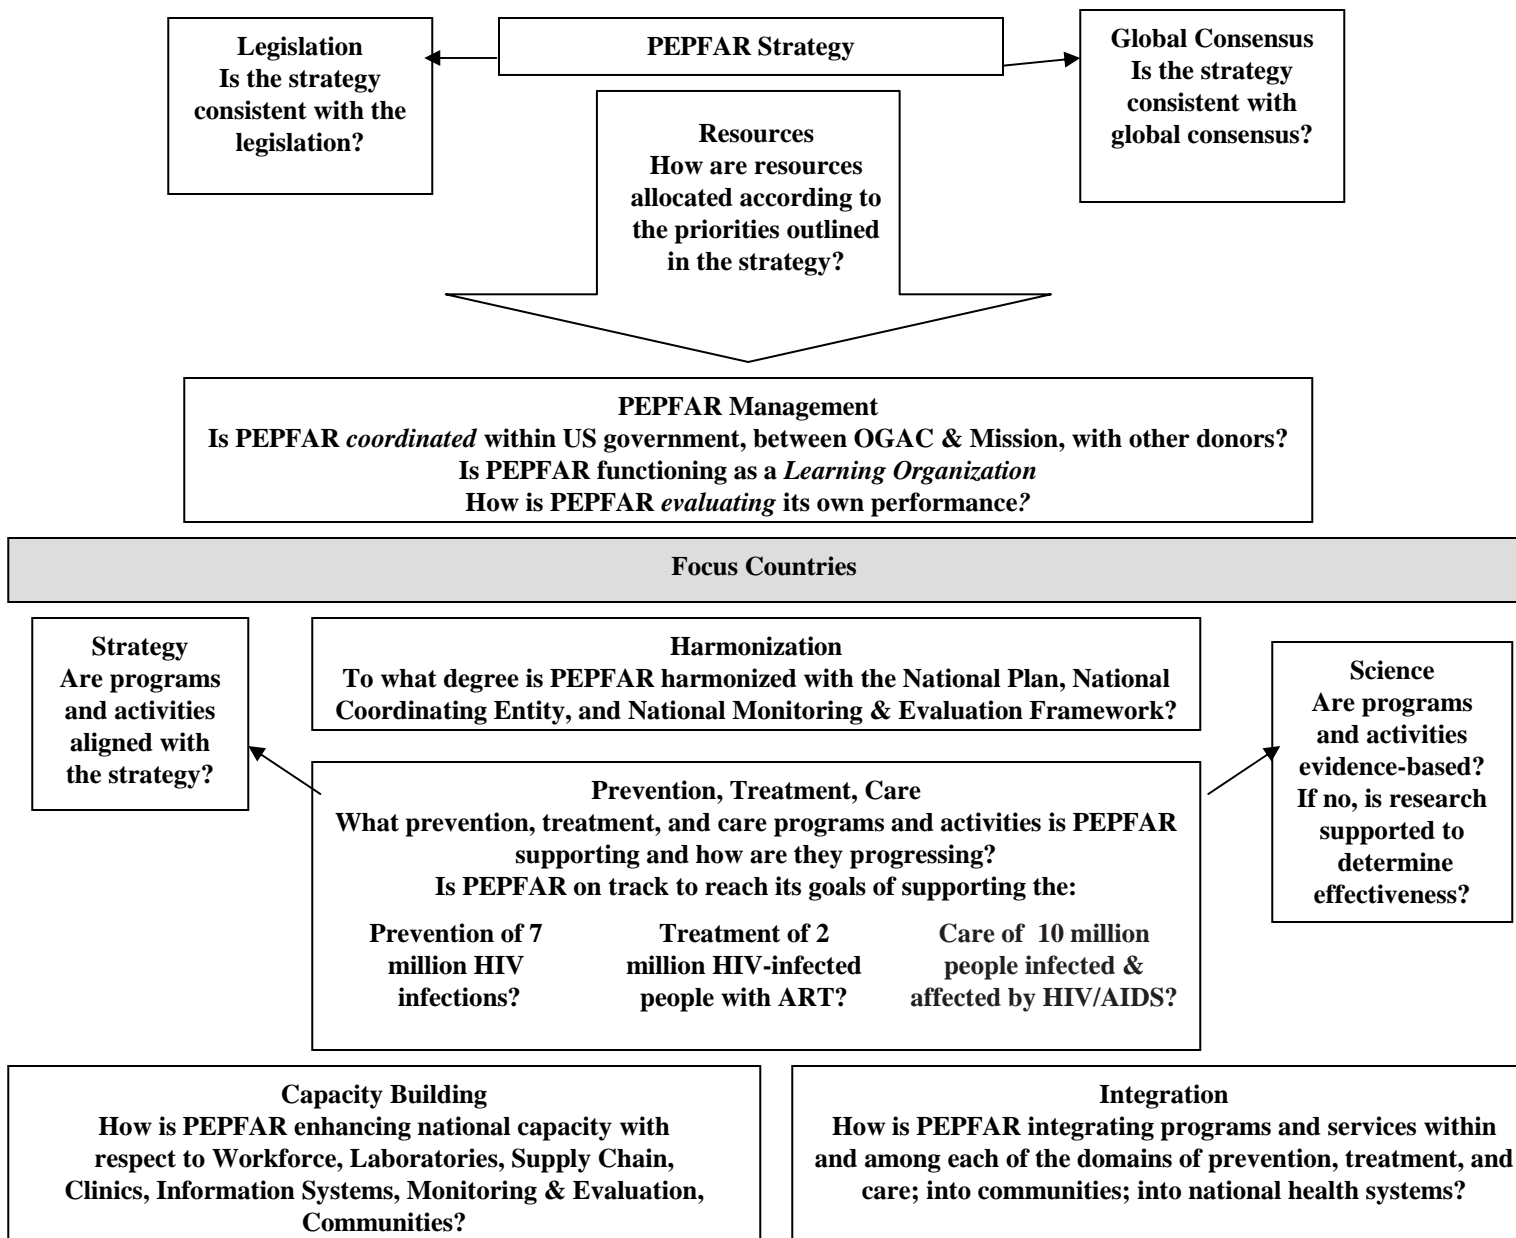

“Not later than **3 years** after the date of the enactment of this Act, the Institute of Medicine shall publish findings comparing the **success** rates of the various programs and methods used under the strategy described in subsection (a) to reduce, prevent, and treat HIV/AIDS, tuberculosis, and malaria.”

“In prioritizing the distribution of resources under the strategy described in subsection (a), the President shall consider the findings published by the Institute of Medicine under this subsection.”

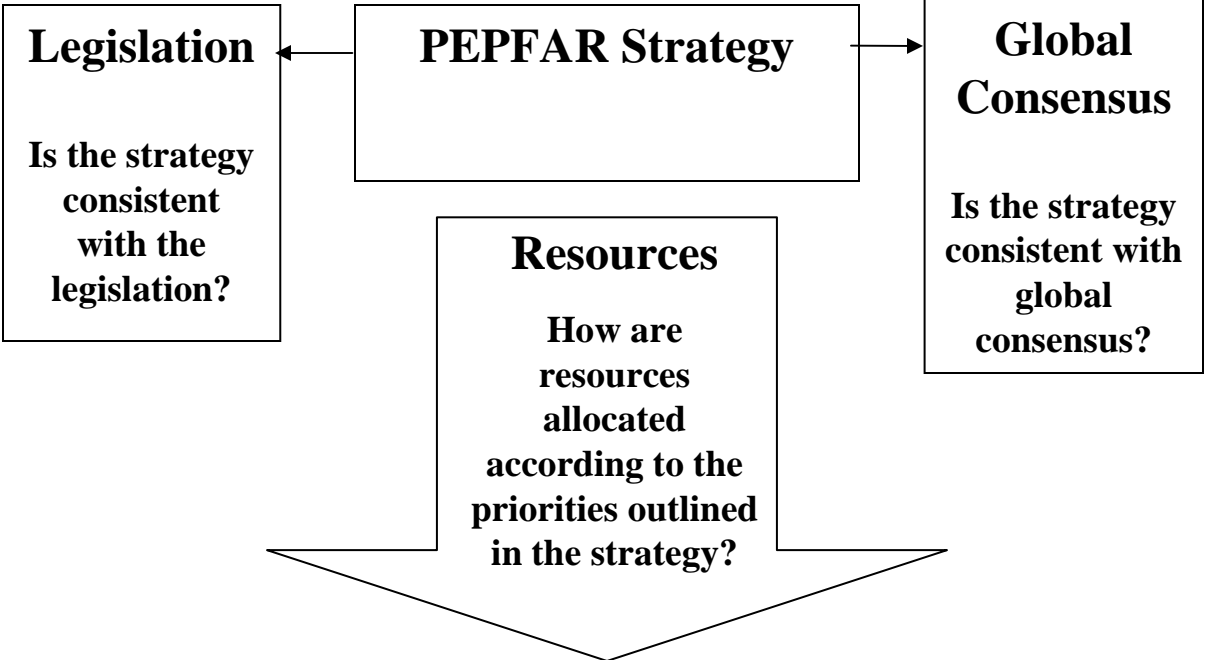

Reports from the IOM Committee for the Evaluation of PEPFAR Implementation

- Short-term Evaluation Plan (Letter Report)
 - Published October 2005
- Short-term Evaluation (Book Report)
 - To be published Fall 2006
- Long-term Evaluation Plan (Letter Report)
 - To be published Winter 2006

Short-term Evaluation Plan Schematic

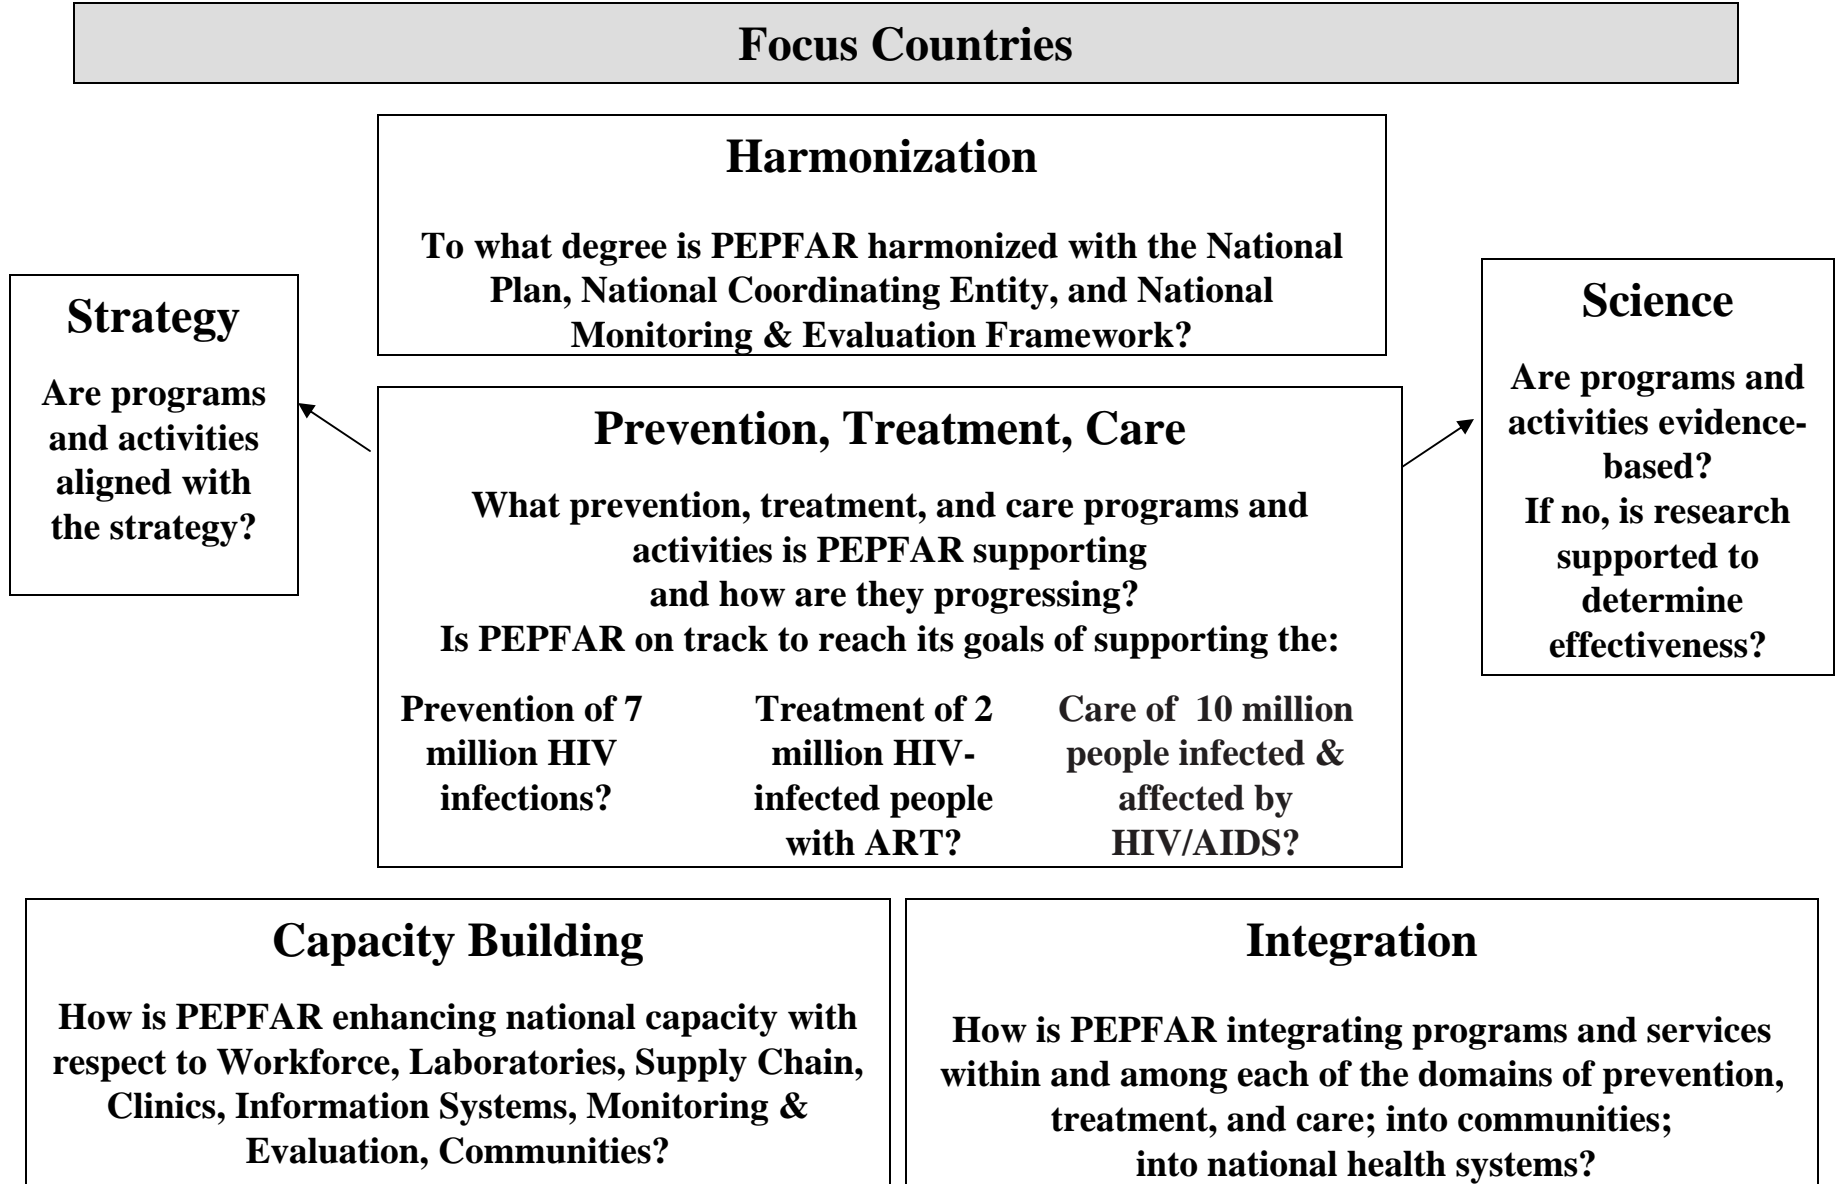

Short-term Evaluation Plan Schematic

PEPFAR Management
Is PEPFAR *coordinated* within US government, between OGAC & Mission, with other donors?
Is PEPFAR functioning as a *Learning Organization*
How is PEPFAR *evaluating* its own performance?

Focus Countries
