EMPLOYMENT

Center for Global Development

Oct. 2001- present **President**

Carnegie Endowment for International Peace

1998- 2001 **Senior Associate and Director**, Economic Reform Project

Inter-American Development Bank

August 1993-1998 **Executive Vice President.** Chief operating officer of the bank. Responsible for operations, finance, legal and policy and all other management, and deputy to the President. The Bank has a portfolio of \$30 billion in 26 borrowing countries and makes new commitments of about \$6 billion a year in new operations.

World Bank

August 1979-93 Economic policy, research and operational work on developing countries, including on human resource development (population, education and health); environment; and adjustment, trade and privatization issues. Management and technical positions in lending operations covering Latin America and in the policy research complex covering Latin America, Asia, Africa, Eastern Europe and former Soviet Union. Member, World Bank Research Committee, 1987 to 1992. Member, Economists' Review Panel, 1988 to 1993 (reviews managers' proposals for staff promotions to senior economist positions). Member, Young Professionals Admission Committee, 1991 to 1993. Advisor, Finance and Development (World Bank and IMF magazine).

- 1991-1993 **Director**, Policy Research Department. Department of about 85 professional staff, primarily economists, responsible for the Bank's economic research and policy analysis in such areas as trade, adjustment and growth issues, including in transitional socialist economies, poverty and human resources, tax and expenditures, financial sector, environment, public sector management, and private sector development.
- 1990-1991 **Chief**, Environment Division, Latin America Region. Division of 15 full-time staff responsible for lending operations in environment, including Global Environmental Facility and Montreal Protocol operations, for policy studies, and for coordination of environmental assessment of investments in Latin America financed by the World Bank. Negotiated establishment of \$350 million Brazil Rainforest Fund by members of Group of Seven.
- 1987-1990 **Chief**, Population and Human Resources Operations Division, Brazil Department. Responsible for development and management of lending operations (of about \$300 million per year), and sector and economic work covering education, health, and social security and welfare in Brazil.
- 1984-1987 **Chief**, Policy and Research Division, Population, Health and Nutrition Department. Managed a group of 12 professionals (economists, sociologists, demographers). Responsible for policy and research work and support to lending operations of the Bank in population, health and nutrition.
- 1982-1984 **Senior Economist**, Country Policy Department.
- 1983-1984 **Staff Director**, World Development Report 1984. Responsible for leading a team of eight professionals plus support staff in preparing a book with primary focus on population and development.
- 1979-1982 **Economist**, Development Economics Department.
- *****
- 1972-1976 **Social Science Analyst**, International Communications Program, Smithsonian Institution. Reviewed and evaluated proposals for research from scholars in developing countries on population problems. Management responsibility for research projects in Africa, Asia, and Latin America.
- 1971-1972 **Project Director**, TransCentury Corporation. Directed contract to recruit, select, and manage short-term consultants providing overseas technical assistance to Peace Corps program.
- 1971 **Project Executive**, Overseas Liaison Committee of the American Council on Education. Prepared analysis of formal and informal education in Tanzania for the World Bank.

1969-1970 **Research Assistant**, Overseas Liaison Committee of the American Council on Education.
